

Report of College Exhibition 2015-2016

On 23rd February 2016 we had organized, “Dyan, Vidnyan and Samaj Darshan Exhibition” For all faculties. For inaugural function of this exhibition, Dr. Kale, Principal; Arts, Science College Pimpalner College Beed and Dr Ashok Naikwade, Vice-Principal; KSK College Beed were invited as chief guest. Inauguration was done with auspicious hands of Chief guests and our hon. Principal Dr.P.B .Deshmane.

Chief guests keenly observed each and every model and asked questions regarding it to students. After their visit to all departments’ model, they visited the refreshment stall organized by students and had fun with them. Later while addressing to all staff members, Dr. Kale said that such type of event organization is must for developing academic interest and hobbies in students. This motivation is must for students to increase their regularity and interest in college. He said he was very pleased to visit our college and see the enthusiasm of students in such rural area.

Dr. Naikwade also appreciated of students and said, the students had actually presented the theme of exhibition and they should try more to present their social, scientific and cultural needs of society and try to include them in day to day life. We had also arranged competition among all departments of college for best model preparation. All models were examined by our team and they decided to give faculty wise and overall prizes.

In overall exhibition Commerce Department got Ist Prize, History Department got IInd Prize and Sociology department got IIIrd prize. Whereas in faculty wise competition History from Arts faculty, Marathi from Languages, Chemistry from Science and commerce department got Ist prize. Students related to these departments were given certificates in annual sendoff of Third Year Students.

A REPORT OF COLLEGE EXHIBITION 2016-2017

Two days college level multidisciplinary Exhibition with the theme of *Dnyan Vidnyan and Samajdarshan* was conducted by Kalikadevi Arts, Commerce and Science College Shirur (Ka) on 12/01/2017 . The program was inaugurated by Principal Dr. Deshmane P.B. In this event all departments' students were participated enthusiastically. Eighty students were participated with different projects.

The Exhibits by the different faculties were indeed eye openers on various topics related to innovation in green energy, environment, Agriculture, bio-diversity, chemistry, mathematical modeling and community health as well as communication. In the end the Exhibition not only honed the analytical skills of the students but also brought out the best of their talent in oratory, dramatics, graphic presentation and technical skills. The students learnt a modern approach to learning and the parent's whole heartedly appreciated their infinite capacity to learn and present innovative concepts with an endeavor to promote socio-scientific attitude among budding young students, this exhibition was one of its kind.
