

ADARSH SHIKSHAN SANSTHA BEED

**KALIKADEVI ARTS, COMM.& SCI.
COLLEGE TQ, SHIRUR (KA) DIST- BEED**

**DEPARTMENT PROFILE
OF
GEOGRAPHY**

PROFILE OF DEPARTMENT

➤ **SCOPE OF DEPARTMENT**

The subject matter of geography includes study of natural environment of man and also the study of social and cultural environment. Thus geography has a very wide scope by any other subject. Geography is a science and an art. It tries to train and develop good citizens who may be able to solve various social economic and political problems of the country. The importance of geography can be understood more clearly by considering the effect of geography teaching on man as a human being, as an administrator, as a politician etc. We shall also have to consider the practical importance of geography, Economic importance geography, political and social importance, cultural and intellectual importance etc.

➤ **IMPORTANCE OF THE SUBJECT**

- To understand basic physical systems that affect everyday life (e.g. earth-sun relationships, water cycles, wind and ocean currents)..
- To understand the geography of past times and how geography has played important roles in the evolution of people, their ideas, places and environments.
- To understand the spatial organization of society and see order in what often appears to be random scattering of people and places.
- To recognize spatial distributions at all scales local and worldwide in order to understand the complex connectivity of people and places.
- To be able to make sensible judgments about matters involving relationships between the physical environment and society.
- To appreciate Earth as the homeland of humankind and provide insight for wise management decisions about how the planet's resources should be used.
- Geography play the important role to pass the MPSC & UPSC examination

➤ **OBJECTIVES OF DEPARTMENT**

- To provide the knowledge of behavioural pattern of human being adjusted to the geographical environment
- To apply the geographical principles to different geographical situation.
- To develop general knowledge for competitive examination.
- To develop geographical view in life.
- To create awareness regarding environment and population problem.
- To develop among the students skill in drawing maps and diagrams.
- Introduce and understand the different geographical environment and social aspects through geographical study tour
- To collect physical cultural and economic information from various villages.
- To awareness the society of global warming and climate change

➤ **MISSION OF DEPARTMENT**

Save Earth Save Life

➤ **INTRODUCTION**

The Department of Geography is started from June-2002. Presently Dr. Sawate S. R. has working as Head of Department from 9 Oct 2007 to till date. Dr. Yede G. N. has working from 15 June 2009 to till date. Only UG course is conducted by college.

➤ **ROLE OF DEPARTMENT IN PROVIDING VALUE BASED EDUCATION**

Value education creates a perfect personality so students should be taught value through the department. The department of Geography is inculcate to student create awareness among people regarding his behaviour for save environment. Department teach to all students to use water very neatly because if we used it wrong way in future we face scarcity of water problem.

➤ **YEAR OF ESTABLISHMENT**

June 2002

➤ **COURCES OFFERED**

UG

➤ **COURSE STRUCTURE**

General Bachelor of Arts is our course structure. We adopt semester system from A.Y. 2009-10. Students have completed under graduate in six semester. University have started CBCGS system form Academic Year 2022-2023.

Sr. No.	Class	Semester	Name of Paper
1	F.Y.	I	Elements of Physical Geography
2	F.Y.	I	Human Geography
