**IQAC**

The Internal Quality Assurance Cell plays an important role in ensuring qualitative functioning of administrative and academic units of the College. The IQAC continuously reviews the functioning of the various units of the College and facilitates necessary changes as and where required. The College adheres to the quality assurance mechanisms advocated by NAAC. It undertakes quality initiatives, prepares perspective plans, suggests new programs and activities, receives and analyses feedback. To ensure quality in the diverse functions of the college, IQAC promotes a culture of debate, communication and consensus among the various stakeholders. It strives to foster a harmonious, responsible and accountable atmosphere on the College campus so that the overall educational endeavors find success.
