- **To develop Empathy, Leadership qualities and Stage Courage we conducted Rallies and Street Shows against Child Marriage**

Child marriage is a major problem of Beed district. Girls under the age of 18 are married early because of various social problems and this affects the overall development of girl child. This problem has been recognized nationally and internationally. Even today in various states of India this problem exists though government is taking different initiatives to stop it. So as an initiative on our side we have collaborated with SBC3, UNICEF, District Administration, Women and Child Welfare department, NGO GraminVikas Kendra Gomalwada and Kalikadevi Arts, Commerce and Science College Home Science and Cultural Department and started a campaign against Child Marriage.

In these terms we organized rallies and street shows in three major talukas of Beed district in which the percentage of child marriage is very high, i.e. Shirur (Kasar), Ashti, and Kada. In these talukas we have joined with the schools and organized rallies in the villages and our students of Home science and cultural department played a street show for the local people regarding awareness of consequences of child marriage.

In this campaign 11 students have participated along with Dr. C. V. Donglikar and other teaching staff of college. Also the founder of NGO Mr. Sameer Pathan have played an important role in execution of this program
