

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

As per the norms of the university, evaluation method comprises of internal examinations held with the assistance of project works. Related records and data are properly maintained. The evaluation is done with transparency based on different parameters like teacher's assessment, practical records, overall performance of students and viva voce. Assignment questions are discussed with students. In academic year 2022-2023 theory exams were conducted offline along with practical exams as per the instructions of university.
