**HOME SCIENCE DEPARTMENT SOFT SKILL DEVELOPMENT ACTIVITIES
FOR STUDENTS 2022-2023**

- **To develop aesthetic view among students we had organized Pot painting Workshop for students of F. Y**

To enhance self-employment and develop their soft skills we organize different workshops for students so that they could be prepared for creating their own business. And in this context we have organized a workshop of pot and dry bottle gourd painting. Dry Bottle gourd is easily available in rural areas without any cost and there's a huge demand in metropolitan cities of handicraft made from bottle gourd. So to make students aware of the raw material that could be converted into fine art we have arranged this workshop for First year students. In this workshop 18 students have participated enthusiastically and prepared beautiful art work

- **To develop employability, Bandhani making Workshop for S. Y. students was organized**

Bandhani art is a famous art that has been recognized very well in India and abroad. As bandhani is also beneficial in gaining economic benefits we have organized bandhani making workshop for students of Second year. This class was organized by Dr. C. V. Donglikar and 16 students have participated in it. Students prepared small handkerchiefs of bandhani they also demanded to learn more materials like dupatta, sari, table cloth etc

- **For development of creativity among students Handicraft Classes were organized**

Rangoli painting classes were organized for of B.A. & B.Sc. students To develop the artistic skills of these students we have conducted this rangoli painting class. This class was organized for eight days, daily one hour these classes were conducted before the school timing of students. For these classes more than 25 students have participated. They have prepared very beautiful paintings made from rangoli. These classes were conducted by Dr. C. V. Donglikar. & Assit. Prof SayyadAfroj

- **To develop Empathy, Leadership qualities and Stage Courage we conducted Rallies and Street Shows against Child Marriage**

Child marriage is a major problem of Beed district. Girls under the age of 18 are married early because of various social problems and this affects the overall development of girl child. This problem has been recognized nationally and internationally. Even today in various states of India this problem exist though government is taking different initiatives to stop it.

So as an initiative on our side we have collaborated with SBC3, UNICEF, District Administration, Women and Child Welfare department, NGO GraminVikas Kendra Gomalwada and Kalikadevi Arts, Commerce and Science College Home Science and Cultural Department and started a campaign against Child Marriage.

In these terms we organized rallies and street shows in three major talukas of Beed district in which the percentage of child marriage is very high, i.e. Shirur (Kasar), Ashti, and Kada. In these talukas we have joined with the schools and organized rallies in the villages and our students of Home science and cultural department played a street show for the local people regarding awareness of consequences of child marriage.

In this campaign 11 students have participated along with Dr. C. V. Donglikar and other teaching staff of college. Also the founder of NGO Mr. Sameer Pathan have played an important role in execution of this program

- **Organized class seminars of students on different topics related to curriculum**

Class seminars develop Stage courage, Expression of views, and Leadership qualities of students also it is one of the best methods of student evaluation so occasionally we conduct class seminars of students on different topics related to curriculum class wise.
