GENDER SENSITIZATION ACTION PLAN 2023-24

The Gender Sensitization Action plan is planned out by Internal Complaint committee of the College in the presence of Principal and other members of the committee. Our college belongs to rural area specially female students are facing lot of problems while taking education. Keeping in view this point the Internal Complaint Committee has been formed to solve the issues related to female students and make them feel secure in the campus and empower them through education and other activities. Annual gender sensitization action plan is devised to conduct various gender sensitization activities on regular basis.

Following action plans to be carried out during the year 2023-2024

- To create and propagate a safe, secure and healthy environment to achieve gender Equality and to ensure respectful and dignified behavior at all levels.
- To organize Health awareness program for College and School Girls.
- To increase humanistic sensibility among the students in the terms of gender equality.
- To organize Online Guest Lectures on Women issues like Laws, Rights and Health.
- To motivate entrepreneurship among students and women.
- To organize Gender Sensitization programs.

Awareness of Health Problems of Women

ICC of the college has organized health awareness program for women of rural area **on 19/01/2024**. We have also met the women at Jamb village. Students of this village have been planned and organized this meeting. In this meeting we have healthy interaction with students and women belonging to this village. We told them the importance of healthy diet, Symptoms of menopause, care during this period and medical needs. For this meeting more women and students were present. Also on this occasion we had organized Haldi Kumkum Program on the occasion of *Makarsankranti*

**Makarsankranti Program Organized for Students and Local Women Stakeholders on
25/01/2024**

As Makarsankranti is a festival of women gatherings we took this opportunity for conducting female parents meeting of our students and invited them in our college. On this behalf as a part of nutrition awakening program we distributed Whole grams. We also conducted short introduction program for the parents and motivated them for interaction. As a result parents interacted with us about social problems their child has to face during travelling to schools and college. They also discussed their health problems and we tried to guide them on the basis of nutrition. For this program more than 60 women and students were present. Our students enjoyed this program and participated in traditional dresses.
