- **Conducted H. B. testing camp of school students in collaboration with Health Care Center of College**

On behalf of World Nutrition week to make adolescent girls aware of importance of Iron supplementation in this age we had organized lecture of Dr.SushmaSanap. She suggested students different foods rich in iron and explained its benefits. At this time we have also organized HB testing camp for these students near about 52 students have participated in this camp and their HB testing was done. For this program HOD Home Science Dr. C. V. Donglikar and Assitant Prof. Sayyadafroj were present to guide students.

- **Handicraft Classes for School Students**

Rangoli painting classes were organized on demand of school students of class 8th to 10th of our High school. To develop the artistic skills of school students as a part of our extension activity we have conducted this rangoli painting class. This class was organized for eight days, daily one hour these classes were conducted before the school timing of students. For these classes more than 35 students have participated. They have prepared very beautiful paintings made from rangoli. These classes were conducted by Dr. C. V. Donglikar

- **Conducted Rallies and Street Shows against Child Marriage**

Child marriage is a major problem of Beed district. Girls under the age of 18 are married early because of various social problems and this affects the overall development of girl child. This problem has been recognized nationally and internationally. Even today in various states of India this problem exist though government is taking different initiatives to stop it.
