An Electoral Literacy Club is a platform to engage school and College students through interesting activities and hands-on experience to sensitize them on their electoral rights and familiarize them with the electoral process of registration and voting. ELCs are also present in colleges and rural communities.

At ELCs, learning meets fun. Activities and Games are designed to stimulate and motivate students provoking them to think and ask questions. Through ELC, Election Commission of India, aims at strengthening the culture of electoral participation among young and future voters.

College Level ELCs- College Level ELCs have been established for New Voters who are aged between 18-21 year.

- To educate the targeted populations about voter registration, electoral process and related matters through hands on experience.
- To facilitate EVM and VVPAT familiarization and education about the robustness of EVM as well as the integrity of the electoral process using EVMS.
- To help the target audience understand the value of their vote and exercise their right to franchise in a confident, comfortable and ethical manner.
- To harness the potential of ELC members for carrying the electoral literacy in communities.
- To facilitate voter registration for its eligible members who are not yet registered.
- To develop a culture of electoral participation and maximize the informed and ethical voting and follow the principle 'Every vote count' and 'No Voter to be Left Behind'.
