## **HOME SCIENCE DEPARTMENT**

### **Guest Lecture on Self Hygiene for Adolescent Girls 27<sup>th</sup> September 2018**

Conducted a Guest Lecture on, 'Self Hygiene during Menstruation Cycle', for junior and senior college students on 27/ 09/2018. Representatives of 'Umed Abhiyan' of Indian Government from Shirur (Ka) visited our college to bring awareness regarding 'Use of Sanitary Napkin' during menstruation period. This program was known as 'Asmita Yojana' which provided napkins to adolescent girls with concession after taking the card of Asmita Yojana in only five rupees. During this program we tried to bring awareness regarding self-hygiene and importance of sanitary napkins for better hygiene and health of adolescent girls along with special care to be taken regarding food and nutrition. For this program more than 80 students of junior and senior college along with junior college female staff and home science department faculty members were present.

### **ORGANISED STUDENT INTERACTION PROGRAM DURING WORLD NUTRITION WEEK 1/09/2018 - 09/09/2018**

On behalf of World Nutrition Week we organized different adolescent interaction programs with college and school students. During these interaction programs we discussed various issues like, Physical Changes during Adolescents, Nutritional Needs of Adolescents, Physical Changes During Adolescents and Reproductive Health and Nutrition. For this Interaction Program five or more students use to participate with us during the visits to nearby school, college or our college programs.

**Interaction with Adolescents Regarding, 'Physical Changes and Nutrition during Adolescents' 03/09/2018**

**Interaction with Adolescents Regarding, 'Nutritional Needs of Adolescents' 04/09/2018**

**Interaction with Adolescents Regarding, 'Physical Changes During Adolescents' 05/09/2018**

**Interaction with Adolescents Regarding, 'Reproductive Health and Nutrition'**  
**07/09/2018**

**ORGANIZED HANDICRAFT TRAINING PROGRAM FOR STUDENTS FROM**  
**21/09/2018-27/09/2018**

As we train our students for self-employment we had organized a four day training program for our department students regarding preparation of handicraft decorative show pieces from agricultural waste products and different paintings on plywood and cloth. For this training more than twenty students participated and showed their interest in learning different handicraft self-made decorative items.

## DEPARTMENT EXHIBITION ON 12/12/2018

Organize Exhibition of Home Science Department for School and College students. Students of department had prepared various handicraft materials which were displayed by them. Also they gave its information to students who visited this exhibition.

# DEPARTMENT OF ZOOLOGY

## Wildlife Week

Wildlife Week is celebrated all over the country in the month of October from 2<sup>nd</sup> to 8<sup>th</sup> October every year with the view to preserve the fauna means the animal life of the India. It was first started in the year 1952 with the great vision of saving the life of the Indian animals by taking some critical steps. It involves the planning to save animal extinction of any species of the India. The Indian Government has established an Indian Board of Wild Life which works to improve the awareness as well as the consciousness of the Indian people towards the wildlife preservation. On this occasion we organize the Rangoli and poster preparation competition on wild life and environment for B.Sc. Student.
