# Organized One Day Online Workshop On, Institute Website Updation

Organized One Day Online Workshop On, Institute Website Updation, in collaboration with By, White Code Technology Solutions, Technology Partner Of Iqac Cluster India. In this workshop Mrs. Mrs.Sneha Kadam, Sr. Business Development Manager, White Code Technology Solutions, Pune explained how we can develop our college website in terms of NAAC seven criterion. All our faculty members have joined this workshop specially all members of Website Updation Committee and asked their curies regarding different issues that have to be updated. Also our principal Dr. Vishwas Kandhare have joined this workshop and asked website updation committee to update the website as per the requirement of NAAC
